Shaping Pharmacy for the Future

West Yorkshire Local Practice Forum
Annual Symposium

Sunday 8th March 2014

Programme

Sponsored by AstraZeneca
LEARNING OBJECTIVES

By the end of the Symposium, delegates will be able to:

- Contribute to local implementation of national priorities in healthcare
- Draw on evidence from emerging local practice to inform their own practice
- Explain how patients’ records and summary care records are used
- Identify how they can help patients with emergency care needs
- Identify how they can enhance their contribution to patients’ long term care.
