Date ref: 16th March 2018

Dear Provider

Changes to the Administration of the Emergency Hormonal Contraception (EHC) contract

Further to correspondence from Jeanette Crabbe, Public Health Commissioner I am writing to you to confirm the transfer of administrative responsibility for the Emergency Hormonal Contraception (EHC) Public Health contract from Bradford Council to Locala Community Partnerships CIC (the current provider of Bradford Integrated Sexual Health Services), effective from **1st April 2018**. In order to facilitate the transfer you are required to enter into a contract with Locala, acting in the capacity as Co-ordinating Commissioner. Contracts and a revised service specification are presently being drafted and will be sent to all interested parties over the next few days.

The commissioner has directed Locala on the provision of services under the EHC contract as detailed below:

- Eligibility group – Under 19 years (no lower limit)
- 10 Pharmacies in Bradford & District commissioned to provide the new service

Community Pharmacy West Yorkshire (CPWY) will continue to provide service administration in support of the revised Bradford EHC service.

At this stage all I require is an expression of interest from yourselves to continue to provide EHC services under contract. Please respond direct to the following email address:

Clifford.dunbavin@locala.org.uk

I look forward to hearing back from you and working with you through 18/19.

Yours faithfully

Cliff Dunbavin
Operational Manager
Locala Integrated Sexual Health Services

Caring for you, locally
