4th February 2019

Supervised Consumption Service Level Agreement

Further to discussions with LPC, I am pleased to confirm the process for the renewal of contract for the above service.

We have made a number of additions to the Service Level Agreement (SLA) issued in 2018 to include Espranor. Consequently, we intend to issue a new SLA instead of a variation. The final version will be available to view on the LPC website for a period of 14 days during February 2019. Should we receive any feedback on these additions then we will consider this. If we do not receive any comments during this period, then we will issue new SLAs from the week commencing the 25th of February 2019, with a start date of the 1st of April 2019. Please could this be signed and returned to Andrew Craig, GP and Pharmacy Lead, CHART Kirklees, 12 Station Street, Huddersfield, HD1 1LN as soon as possible to allow continued payment for services.

We will be shortly be scheduling a training event for pharmacists to attend with details to follow in the near future. You will be able to book onto this in due course and we look forward to working with you in the coming year.

Yours sincerely
