

Using NHS Service Finder to Locate a Community Pharmacy Palliative Care Medication Stockholder

Health care professionals can access NHS Service Finder to locate a community pharmacy currently open who routinely holds palliative and end of life critical medicines.

The search will return pharmacies who are commissioned to provide the NHS Palliative Care Formulary Service **AND** pharmacies who have declared under the Pharmacy Quality Scheme that they routinely hold the nationally defined 16 palliative and end of life critical medicines.

1. Enter your location (e.g. Leeds or enter postcode).
2. Under “type of service”, type in pharmacy:-
