Other Available Training to Support Practice		
<ul style="list-style-type: none"> Documenting in Patient Clinical Records (CPPE e-Learning) Remote Consultation Skills (CPPE e-Learning) Patient Group Directions (elfh e-Learning) Consultation Skills for Pharmacy Practice (CPPE e-Assessment) 		
Pharmacy Team Training		
<p>The whole pharmacy team can proactively promote this service. Teams should be briefed on the service and coached on how to best approach people about the service. This pharmacy team briefing may help in engaging and coaching the team.</p> <p>Blood Pressure & BMI Checks – Pharmacy staff who are going to provide BP readings and BMI calculations must have the necessary training required. Details of the training requirements can be found here.</p>
