

Skin Rashes in Children - Module 1

Latest FREE* Online Course

Do you know what **the 3 stages** are in the development of chickenpox spots?

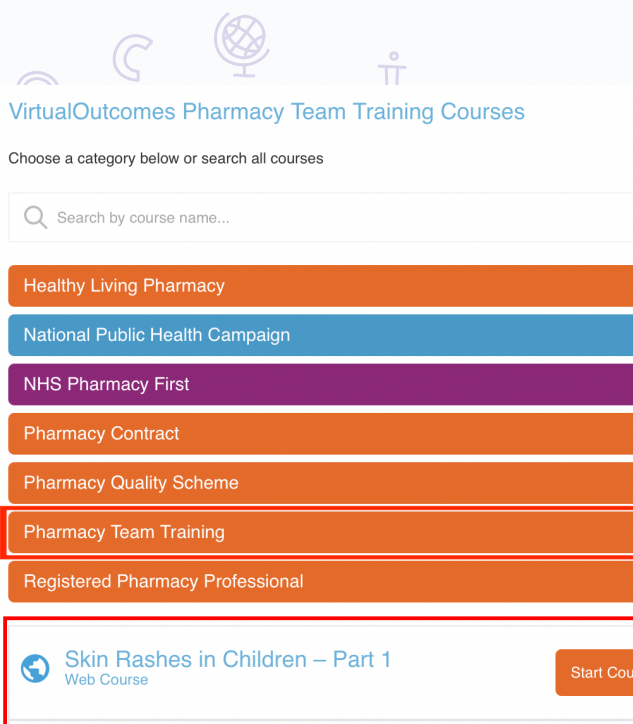

Do you know which children are at **higher risk** of developing complications from **chickenpox**?

Do you know which **times of year** Hand, Foot and Mouth disease (HFDM) is more common?

Do you know that children **can return** to school once they feel better even if the **HFDM blisters** have not healed?

This training will answer **all** these questions and more.
