Community Pharmacy West Yorkshire

Sharing Success!

Shelf Pharmacy in Halifax recently attended Shelf Gala, an annual family fun event, to showcase pharmacy services including offering free blood pressure checks as part of the Hypertension Case-Finding Service.

Several members of the Shelf Pharmacy team helped out during the day and when a dinosaur *(yes, really!)* walked past, the team seized the opportunity to promote the service by taking the dinosaur's blood pressure!

Whilst this was just a bit of fun, it really helped to draw people in. The event was held on the hottest day of the year and the team also had on hand supplies of sunscreen available for people to use.

Fahad, the owner of Shelf Pharmacy stated:

"We had a fantastic day at the gala and managed to do over 80 blood pressure checks, identifying 13 people who needed a follow-up ABPM, who we booked in for appointments the week after. It was great to spend time discussing some of the services we offer and we had lots of conversations around travel vaccines and some weight loss conversations. The gala provided a great opportunity to promote what we can provide and we plan to do this again next year".
